

HOSE PROTECTION / SHROUD

The lance is held near vital parts of the body and hoses break, often near couplings and connections like on the lance.

Be safer with a Hose Protection/Shroud. The Hose Protection/Shroud provides effective protection for the operator!

It has been tested for 500 bar / 7500 psi. An adjustable strap holds the Hose Protection/Shroud securely in place.

The Hose Protection/Shroud is very smooth and flexible.

Length	Art. No.
750 mm/2.5 ft.	5660045 5920
1400 mm/4.6 ft.	5660045 5940
